

Okay, here is what we want you to do. We want you to do them in this order, so you can get them done ASAP.

1. You begin with the Basic Assessments. Start with the Motivated Role assessment. This will identify what motivates you to get involved. There are 10 multiple choice questions.
2. Next take the Impact Style assessment. This will identify how you are wired to influence your goals. There are 10 multiple choice questions.
3. Then finally take the Temperaments assessment. This will reveal how you think and how that affects your goals. BTW, yes you think differently than most every other human. There are 40 multiple choice questions.
4. You are now ready for the Advanced Assessments. Start with the Interests assessments. This will reveal what really interests you. This, in part, is the WHAT of your goals. Select your top 4 or 5.
5. Then move onto the Abilities assessment. This will reveal HOW you are wired to achieve your goals. This will take some time. Select your top 5 or 6.
6. Finally, the last assessment is in the Values Assessment. This is your Personal WHY. I cannot impress upon you enough, how very important this is. Select your top 5 or 6.
7. For your convenience, we will email you a detailed analysis after you have finalized each assessment. You can also create your own Y•M•I Assessment Summary Form.
